

BUILD BIGGER. BUILD FASTER.

FASTRAK™

WHY CHOOSE FASTRAK?

FasTrak concrete mixes are designed for faster setting times, increased early strength gain, and a reduction in the time before your concrete can be finished, stripped and put into service.

BENEFITS OF FASTRAK

FasTrak concrete provides:

- Accelerated setting times
- Increased early strength gain
- Quicker finishing

TYPICAL SETTING TIMES AT VARIOUS TEMPERATURES

| | REGULAR CONCRETE | FASTRAK CONCRETE |
|-------------|------------------|------------------|
